Charming Entertainment by Miss Shreve's Pupils.

CLEVER DANCES AND SONGS

Artistic Grouping and Beautiful Light Effects.

TINY PERFORMERS DO WELL

Hearty Applause Fairly Won From Large Audience by Little Ones' Excellent Work.

Few performances by professional singhave surpassed the presentation of the operetta "Leonora" by the children of National Theater last evening. The house was packed and not a minute of the three will be presented again tonight.

most to perfection in their individual and ballet numbers, but nothing was wanting in the artistic effect of costumes, stage arrangement and electric lighting. The "swing song" and the fire-fly effect were a particularly striking and brought forth enthusiastic applause. It is safe to say that while Miss Shreve's annual performances are anticipated with much In age the children ranged from the

Not only were the children trained al-

tiniest toddlers to girls and boys about fourteen years old. All carried out their parts so well that it would be an injustice to single out any numbers as excelling the others, except in the cases of several children who nad the most difficult dances and performed them with really professional ability. Another exception should be made of Baby Smith, who deserves special mention for his big hit in "I'm Afraid to Go Home in the Dark." He was clad in evening dress and a high hat, and bravely lisped the song to the immense delight of all.

Two Little Stars.

Miss Alma Nelson, in her songs and toe dances, and Miss Adrienne Shreve, in her dances and character roles, were especially brilliant. Every time Miss Nelson appeared she was greeted with a storm of applause, and attempts were made to call her back, but there was no time for encores. Miss Shreve showed herself to be a real little musical comedy artist in the a tableau, "Why Can't a Girl Be a Soldier?" operetta, but what there was merited the applause it received. Miss Ruby Raymond, as Gitana, queen of the gipsies, exsuccession of beautiful stage

The Preferred Policy.

"In place of the present haphazard policy of permanently alienating valuable .--

public property we should substitute definite policy along the following lines: "First. There should be a limited or carefully guarded grant in the nature of an option or opportunity afforded within

reasonable time for development of plans and for execution of the project. "Second. Such a grant or concession should be accompanied in the act making the grant by a provision expressly making it the duty of the designated official to annul the grant if the work is not begun or plans are not carried out in accordance with the authority granted.
"Third. It should also be the duty of some designated official to see to it that in approving the plans the maximum development of the navigation and power is assured, or at least that in making the plans these may not be so developed as ultimately to interfere with the better

velopment of the power. "Fourth. There should be a license fee or charge which, though small or nominal justed so as to secure a control in the in-

"Fifth. Provision should be made for the termination of the grant or privilege at a definite time, leaving to future generations the power or authority to renew or extend the concession in accordance with

Hyattsville Happenings. Special Correspondence of The Star.

HYATTSVILLE, Md., April 14, 1968. The building committee charged with building in Brentwood, for the erection of which the last legislature authorized the county commissioners to issue bonds in the sum of \$8,000, met last evening and organized. John Miller was elected president and Arthur Smith secretary, All members were present, except R. P. Riddick, who is confined to his home by illness. Although the site for the new building has not been selected, it is probable that it will be erected on the lot on which

the present school stands, opposite Fire-

men's Hall. The new schoolhouse will be Gov. Crothers yesterday signed the bill providing for separate cars for white and colored passengers on southern Maryland railways. This law affects the Chesapeake Beach railway, the Pope's Creek branch of the Pennsylvania railway and the Southern Maryland railway. It does not apply to excursion trains run by the firstnamed railroad between Washington and Thesapeake bay, and combination baggage and passenger coaches are construed to mean separate coaches under the provisions of the law. The governor vetoed the bill compelling the Chesapeake Beach nections at the junction of the two roads
